about 250 persons, 78 of which are at the present time members of the society.

Apart from voluntary contributions which in case of necessity are being solicited by the committee from its members, the society receives monetary donations from the Associated Foreign Charities and the Caisse des Oeuvres d'Interet Public de la Concession Francaise which organizations are administered by Mr. A.S. Jaspar, the managing director of the Loterie de Bienfaisance.

A statement of accounts for the year 1941 shows that the two above named organizations donated some \$2,000.00 to the Hellenic Society whilst individual donations amounted to \$326.00 and membership fees to \$1,300.00.

A general meeting of the active members of the society is, as a rule, held in Jan. each year when reports are received, accounts passed and a committee elected for the ensuing year. However, a general meeting of the society may also be called whenever the committee consider it necessary.

The Rules and Bye-Laws, a Statement of Accounts and a list of members of the Hellenic Benevolent Society, are attached herewith.
